TruckPark and Red Roof Partner to Provide Discounted Accommodations for Truck Drivers Needing a Break

CHICAGO, January 25, 2022: [TruckPark](#) today announced a partnership with [Red Roof](#) to help address parking shortages impacting the 3.5 million commercial truck drivers across the country. The partnership provides discounts to truck drivers using the TruckPark app to book accommodations at Red Roof locations across the nation.

TruckPark is the leader in providing truck drivers with safe and secure over-night parking using an easy and reliable app. "Partnering with Red Roof is further evidence of our commitment to enhance the driving experience for the more than two million drivers who have access to the TruckPark app," said TruckPark CEO Anthony Petitte.

Red Roof is the coast-to-coast go-to economy lodging choice, providing guests with an affordable stay in a clean, modern and comfortable room. When booking via the TruckPark app, truckers will receive a 15% discount off the Best Available Rate (BAR) at participating Red Roof locations. The TruckPark app will provide drivers with a seamless booking experience directly to the Red Roof location. Red Roof is introducing the program to all owners and operators that facilitate a truck parking option.

"Meeting our customers where they are is paramount when providing solutions. Red Roof has a long history in serving the transportation industry and as technology brings more opportunities Red Roof will continue to evolve in bringing new business to our Owners and Operators," said Staci Olney, Red Roof Vice President—National Sales.

Finding and securing available overnight parking is a chronic problem for commercial truck drivers, with fewer than 400,000 available parking spots across the country. Now drivers needing overnight parking can use the TruckPark app to secure accommodations upon availability at participating Red Roof locations.

TruckPark Inc. is a values-based company driven by the mission "to empower truck drivers while providing a safe and unmatched experience." We will revolutionize the trucking industry by providing drivers with an easy and reliable app to find safe, secure parking, and an opportunity for private lot owners to maximize their revenues. www.truckpark.com **TruckPark: Reserve.
